Thanks, Mark.

I am used to sending BEANs to BAB. How should I address this BEAN to make sure it gets routed to the correct spot?

Debra

Subject: Accepted: Aldicarb - projected crop treated (new uses - orange and grapefruit)
When: Thursday, September 19, 2019 9:30 AM-10:00 AM (UTC-05:00) Eastern Time (US & Canada).
Where: Marion's office

Debra,

Go ahead and generate the BEAN. We will want to put together a methodology and start working through this sooner, rather than later.

I'm going to forward this meeting invitation to Alicia Lenners, who will be doing the analysis.

Thanks,
Mark
